# SECURE INDIA INFINITY SOLUTIONS

## COMPANY INTRODUCTION

SECURE INDIA INFINITY SOLUTIONS, established in 2018, is a well-established ISO 9001:2015 and PSARA certified IT enabled company providing pan India comprehensive security and manpower solutions to Government and Corporate Establishments, Hotels, Schools, Hospitals, Industries and other entities. We are led by a team of Indian Armed Forces officers and trained professionals having 20 years of experience in this domain. We focus on recruitment of quality manpower, provide periodic training and motivational sessions and handle operations with process driven programs.

Over the years, we have extended our services to Facility Management Services as well and have been providing complete Facility Management manpower support to various schools, industries and co-working spaces, residential complexes and hospitals.

Over the years, the Company's growth has been achieved through a combination of recommendations from existing clients and new opportunities. Achieving exponential growth in a short span is no mean feat. Our contract retention rate remains high and is the focal point of our growth strategy.

### OUR VISION

To emerge as a distinctive IT enabled Security Company across India by fulfilling our commitments and ensuring comprehensive service delivery to our clients with state-of-the-art technology in the most professional manner

### OUR MISSION

To develop innovative, reliable and technically superior solutions which not only add true value to our business but also add to the longevity of our partnership with clients

- Tracking and Monitoring Apps
- 24\*7 CCTV surveillance of sites
- 24\*7 Control Room Support

## RECRUITMENT ▶

We have comparable standards of recruitment as the Police Services, both for education as well as physical standards. We have Recruitment Centres in UP, MP, Bihar and Rajasthan.

## TRAINING ▶

SECURE INDIA INFINITY SOLUTIONS has a policy of deploying guards after a Training Program as mandated by the PSAR Act 2005. We have a training Centre in Rajasthan and for Delhi NCR operations, our training partner is Olive Heritage, Sec 22, Gurgaon, Haryana.

- Two weeks intensive training program at Training Centre (pre-deployment)
- One week on the job training
- Client specific weekly training
- Motivational and Social Conduct Classes
- Lady Trainers to counsel female guards
- Special Training system for Schools with emphasis on child safety

## SITE SPECIFIC INSTRUCTIONS ▶

Given the unique requirements of every client, we plan site specific instructions for each post and for each area under our protection and watch. These will be printed in Hindi, English and Vernacular language and placed at every post, with a copy at Control Room, Guard Room and Client office.

## TAILORED GUARD MANUALS ▶

A unique initiative by Secure India is the creation of Guards Manual, which he/she carries at all times. This serves as a constant aide memoire of his/her training, including training on Fire and First Aid, and is specifically tailored with site-specific instructions of our clients.

## ◀ E-MONITOR

- This is a fully Automated Email based online monitoring system for all units
- An android based application that delivers -
- Photographic Evidence of Security Alertness and Turnout. It works on GPRS that gives foolproof date, time and geographic location
- Anti Sleep - The device monitors alertness
- Operations / Field Staff Verification - The device tracks movements of our Operations Officers

## ◀ INCENTIVE DRIVEN MONTHLY APPRAISAL!!

Secure India has a strong system of Monthly Performance Appraisal through which we are able to align the goals of our Field Operations with that of our clients. Every month we would ask our client to rate our performance, based on which incentives would be paid. This aligns the goals of our operations with that of the client.

## ◀ HONOUR GOVT. COMPLAINCES

- This provide us with the foundation to build on All Employee receive Minimum Wage, ESI, EPF, Workman Compensation and all Statutory dues
- Relieving Charges, Sundays, National Holidays and other Statutory benefits

## ◀ POLICE RELATIONSHIP MANAGEMENT

We assist our clients in interacting with Police at all levels. Today, unfortunately local crime is not uncommon. But very often people find interacting with police a rather unpleasant experience. We maintain good Liaison with the Police authorities at all levels through our Legal Consultants who have the relevant experience. We assure complete cooperation with Police whenever need arises.

## ◀ WE PROVIDE COMPERHENSIVE PSARA CONSULTANCY ▶
